RECENT TAX RULINGS

In association with

In the area of International Tax, Mumbai ITAT held that the capital gains of Rs.17.9 billion arising from the Ten Sports deal between Zee and Sony is not taxable in India due to Article 13(4) of India-Mauritius DTAA. Delhi ITAT held the services provided by a Fraport AG Frankfurt Airport Services Worldwide under Airport Operator Agreement to be inextricably linked with its PE in India and directed the Revenue to examine the nature of services and exclude planning, project, construction or research activities and technical services from the scope of taxation. In the case of a GE Group Co., a Dutch Bank, Mumbai ITAT held that the interest earned by its Indian branch from External Commercial Borrowings should be taxed at 10% as interest income and not as business profit which is taxable at 40%.

On Transfer Pricing front, Pune ITAT evaluated assessee’s functional analysis and held that it was a BPO service provider and not a KPO service provider. Bangalore ITAT considered that the issues pertaining to international transactions of software development services and ITeS were settled under MAP resolution and accepted assessee's withdrawal of the appeal as per Rule 44G.
